

CLFN Archery Club

Congratulations All Participants!

After seven weeks of fun and competition, these are your Top Dog Archers!

*The Junior youth did not compete but learned the pointing system and accumulated points. They improved so much over the seven weeks, we are so proud of you!

I would like to express my appreciation for the volunteers Rebecca Watts and Connor Williams who made this a fun and exciting program. Their dedication, commitment and expertise truly made a difference in the abilities of the participants. I would also like to say miigwetch to the Gaming Revenue Fund who also made this CARA program happen! Miigwetch!

Look for the next round in the Spring 2017!
