

## **Aaniin Curve Lake**

**Your Pow wow/Culture Committee has been hard at work organising the Pow wow.**

**This year will be our best ever!**

**We are asking our community to give support by offering financial assistance, gifts of sweetgrass, sage and tobacco, cases of water for our drummers and Elders, or by volunteering their time.**

**We can offer receipts for financial donations.**

**We also require someone to work our sound system for the weekend. This person will need to be available at the powwow grounds both days. There is honourarium available for our sound person.**
