CANOE BUILD

SIX-WEEK PROGRAM

Would you like to build a canoe? Want to learn how to build a Birch Bark Canoe or a Wood Canvas Canoe? We invite the community to come visit and share in the build!

Our instructors will be giving hands on guidance on how to build these canoes. Elders from our community will also be conducting teachings with Anishinaabemowin.

INSTRUCTORS:

Josy Thomas & Mike Ormsby

WHEN:

May 24th for a six-week program

WHERE:

Public Works Building

Youth ages of 13-30 will be given top priority.

There is space for 20 participants. Space will be made for any interested community members.

This is a free program for community members.

To sign up or inquire about the builds please call:
