

Curve Lake U10 Mite Trappers Softball

July 10th, 2013

Community,

This year a competitive softball team comprised of youth 10 years and under was registered with the Ontario Amateur Softball Association. This is a renewed effort to growing the sport of softball in our community.

We are pleased to inform you that on Sunday July 14th we are hosting a double-header against Napanee and Cobourg. These exhibition match ups have been scheduled to gear up for the Qualifier and Provincial tournaments we'll be participating in this summer. Games will be held at 4 p.m. and 6 p.m. at the Mary Dorothy Jacobs diamond. Please come out and support your Curve Lake Mite U10 Trappers.

The team would also like to thank Mallory Rose for donating her time and expertise in designing our Team's logo. Great job Mallory!

We look forward to seeing you at the diamond.

Miigwetch!
