Do you have questions about how your Diabetic Medication works?

Join us for an evening of casual conversation about

“Diabetes Medication & Me”

This session of the Diabetes & Me group will be focusing on Medication. A local pharmacist will be joining us to answer any questions we have about how medications work.

****Please bring a list of your current medications****

If you have any questions please contact Steve at 705 657-2557 or email SteveToms@curvelake.ca

Light Refreshments will be provided
