

Have your say on proposed changes to Modernize Ontario's Fish Food Safety Regulation

*Attend a public meeting
Provide your feedback by October 3, 2016*

The Ontario government is seeking input on a proposal to modernize the fish food safety regulation for non-federally registered fish processors in Ontario. It is proposed that Ontario's *Fish Inspection Act* and regulation be replaced with a new regulation under the *Food Safety and Quality Act, 2001*. Your input is important. Participate in the discussions and provide your comments and feedback on proposed changes.
