CLFN HOUSING STRATEGY

Community Engagement begins...

***Your Voice Matters – We Want to Hear Your plans for future housing.
We want this plan to be designed by you.***

The time has come to tell us how you envision a sustainable and effective housing for our members today and for tomorrow.

Starting Monday October 3rd, two Community Canvassers, Janice McCue and Kristin Muskratt, will be visiting households door to door seeking input in the development of our First Nation's Housing Strategy.

We are kindly asking for your participation by completing a survey. Our goal is have 200 surveys completed over the next few weeks. We need input from all members regardless of your current residency.

If you're unable to complete a hard copy with the Canvassers, you can complete it online on our Community's Facebook page or an email link can be sent to you.

By participating your name will be included in a draw for the following three cash prizes: \$3,000; \$1,500 and \$500 respectively. The draw will take place early in November 2016.

Survey participation is voluntary. Time to complete the instrument is approximately 20 minutes.

Please contact Jeffrey Jacobs to set up a meeting to share your experience, thoughts and opinions about:

- building or renovating your home;
- accessing CLFN housing programs;
- being on CLFN's housing list;
- case management for mortgage and rent arrears and finance;
- are or know someone who is homeless;
- currently live in a home that is condemned; and
- have an abandoned home on your property.

All data gathered will be kept confidential and presented to Council in summary form in a manner that isn't identifiable.

If you have any questions or concerns please contact Jeffrey Jacobs at 705-872-1337 or jjacobs@sierrakwe.com.

Thank you and we look forward to speaking with you.
