Men and Women of all ages are welcome to come to drumming nights.

James Brooks has been teaching a group of young men how to drum and sing. It has been a huge success!

Please come and show your support for these young men. You don't need to drum or sing if you're uncomfortable, but there is always room for singers.

If you have any questions please contact Ashkineeg-kwe Whetung at [Ashkineeg-kweW@curvelake.ca](mailto:Ashkineeg-kweW@curvelake.ca) or at 705-657-2557

Miigwech to those of you who have been involved, and we look forward to having more people come!
