

International Institute for Environmental Studies

国际环境科学中心

Presents:

A CASE FOR CLIMATE ENGINEERING

Dr. David Keith

Saturday, October 24

8PM Gzowski College

Lecture Hall 114

Trent University

Peterborough

**“Some think his
ideas are crazy,
but he argues
we’d be crazy
to ignore them”**

Toronto Star, Sept. 27, 2015

Renowned scientist in geo-engineering, Dr. Keith advocates for controversial research and technological solutions to reduce greenhouse gas emissions.

A free public lecture
