

# ENHANCED ESTATES SERVICES NOW AVAILABLE

Aaniin Everyone! I am so pleased to be a working part of the Curve Lake community for the next 6 months! My career with AANDC covered 25 years of experience working with the Southern Ontario and British Columbia First Nations, the last 10 years working in the Wills, Estates and Estates Management program.

I look forward to providing personal assistance to community members and their families, with respect and an understanding of the sensitive and difficult matters of Estates and Estates Management.

Services I am able to offer:

- New wills
- Updating existing wills
- Help with existing estates (estates that never got completed)
- Hosting a few information workshops

I will be around the band office 3 days per week at a minimum offering these services. Please give me a call if you would like an appointment. I can also be reached via email at [naansij@curvelake.ca](mailto:naansij@curvelake.ca)
