

# TAKE A SELFIE AT THE WORLD'S FIRST REACTOR MOCK-UP

OPG is leading a world-class team to refurbish Darlington Nuclear. Our preparations are on track and we're ready to begin in 2016.

A centrepiece of our preparations is the Darlington Energy Complex (DEC), which houses the world's first mock-up reactor for training.

June is National Electricity Month, and we are "opening our doors" to you and your family to tour the DEC and take a photo in front of the reactor.

**When:** Saturday, June 6 and Sunday, June 7

**Time:** 10 a.m. to 4 p.m.

**Where:** Darlington Energy Complex,  
1855 Energy Drive in Courtice

For more information about National Electricity Month, visit [powerforthefuture.ca](http://powerforthefuture.ca)

## Directions

- Exit Hwy 401 at Courtice Road
- Follow South Service Road
- Turn right onto Osborne Road
- Turn left onto Energy Drive
