

“I believe in Curve Lake”

I will continue to:

- ✓ Listen to the voice of the community;
- ✓ Work hard at planning current and future needs;
- ✓ Support programs that will lead to the development of new infrastructure;
- ✓ Ensure sound investments are made that will contribute to a healthier community for our future generations.

"First of all, I would like to say Miigwetch to all of the donors and community volunteers who committed their valuable time. Without your help, the following accomplishments would not have been possible"

Aaniin!

For those who do not know me, my name is Shane Taylor. I was born and raised in Curve Lake First Nation. I am thankful for my wife Tracy and my two beautiful daughters, Mckenzie and Kristin.

I would like to thank my nominator and seconder for their support.

I look forward to seeing the community at the upcoming Curve Lake First Nation Candidates Night, to be announced.

In 2012, I was honoured by being elected to become a councillor for Curve Lake. Over the past two terms, I have gained a tremendous amount of insight at the local, regional and national levels. I look forward to increasing my knowledge base, and sharing with the community next term, should I be successful.

Community Initiatives

It has been an honour to support the growth of the following community programs and services.

- Founder/Trainer - Curve Lake Screaming Eagles Girls Association
- All Ontario Men's Fast Ball (2013)
- Community Ice Rink
- Horseback riding program
- Men's Fast Ball League
- Communal Ice Time (Lakefield Arena)
- Donations: Hockey Nets, Wood Splitter
- Feasibility study into a fish hatchery

Current Portfolio's

Below is a list of committee's that I currently sit on as Chair or Co-Chair.

- Gaming and Revenue Fund
- Rights and Resources
