

The Health Centre will have information and displays medication disposal for the week of July 13<sup>th</sup> to July 18<sup>th</sup> featuring the program

## Medication Take Back

### What can I do with my medication?

Any pharmacy in the Peterborough City-County will accept your unused or expired medication for **free**. All pharmacies with delivery service can also take back your medication when they are dropping off a prescription. Just let your pharmacy know that you have medication to send back!

This includes:

- All prescriptions
- - Vitamins and other natural health products
- - Antibacterial and antifungal creams
- - Over the counter pills/liquids

The Ontario Medications Return Program has made it possible for all medications to be safely thrown out. All you have to do is take your medication back to any pharmacy, and they will dispose of it for you. Please be sure to remove personal information such as your name. Medications accepted include prescription drugs, topical creams, and natural health products such as vitamins, probiotics, amino acids, etc.

### Why should I return my unused medications?

Medication Misuse, Medication hurts our environment, Increased Risk for Falls

ACCESS TO PRESCRIPTION DRUGS
