

Addendum 1.1

Distribution Date: 2024.06.03
RFP Name: PROJECT MANAGEMENT SERVICES
For the Curve Lake School Design and Construction

Type of Competition: Open Competition

Please note that this addendum is a public document. In response to questions from potential respondents:

Question 1:

Section 1.1 refers to an Evaluation Team consisting of 4 CLFN Project Team members and 1 ISC Team member while Section 7.2 refers to an Evaluation Team of 3 CLFN Team members and 2 ISC Team members. Please confirm the proposal Evaluation Team.

Answer: The proposal evaluation team will consist of:

- 1) Executive Director (One scoring form)
- 2) First Nation Project Coordinator (One scoring form)
- 3) Director of Finance (One scoring form)
- 4) Director of Infrastructure (One scoring form)
- 5) ISC Ontario Region (One scoring form)

Question 2:

Please clarify what is intended by the Off-Site Servicing costs in the Cost of Services Form.

Answer: Off-site servicing includes any services that extend beyond the school property, such as road access, temporary water service costs (if the school construction is completed prior to the commissioning of the water service), fire protection, sewage treatment (septic system), electricity and fibre options.

Question 3:

Please clarify whether the Provisional Allowances for Additional Meetings are to be in-person or virtual meetings.

Answer: It is expected that the consultant will provide a provisional cost for both an extra in-person and virtual meeting; that way if either is required, the project team is aware of the costs associated with any extra meetings.
